•	Whips must not exceed 30" long.
•	Late entries may be accepted at £12.00 per entry and only postal entries which arrive before the closing date (Friday 22 June) will be accepted at £8.00 per entry.
•	The judge's decision is final in matters of appeal or complaint by competitors.
•	The organisers reserve the right to cancel or amalgamate classes in the event of insufficient numbers. Refunds will be given for cancelled entries if this is the case.
•	Objections must be lodged in writing to the organiser within no more than one hour of an incident. A deposit of £30 must be paid; this will be forfeited if the complaint is overruled. The decision of the organiser is final.
•	All dogs must be kept on leads at all times. The owner will be fined £20 for immediate payment when any dog is found running loose anywhere on the showground.
•	Exhibitors must ensure that horses / ponies are kept under control at all times. <u>Please give stallions and colts plenty of room.</u>
•	It is a requirement that all exhibitors have public liability insurance.
•	If more than one rider/handler per horse, please use a separate entry form per exhibitor.
•	Class 8, novice ridden is not to be used as a warm up class for experienced combinations. The novice ridden class is for inexperienced, nervous or novice horses or riders only. The combinations will not be asked to canter and is designed to be a less intimidating introduction to showing under saddle.
•	Competitors may ride in classes 9 and 10 but the result from one of these classes only can be used towards the ultimate Friesian points collection. You may state on your entry form which of the two classes you prefer to count towards the ultimate Friesian points system.

•	Competitors will automatically be entered to compete for the title of "ultimate Friesian" which will be calculated by the number of points accumulated over both days of the show, combinations competing on one day only will not be eligible. Points will be collected based on one horse and one rider combination. If the same horse has more than one rider or handler points will be allocated for each combination. Combinations will be awarded 6 points for 1st place, 5 points for 2nd.....down to 6th place with 1 point awarded. In classes with less than 6 competitors in the class half points will be awarded. Combinations may enter as many classes as they wish.
•	In the spirit of fairness to other competitors, particularly those new to the sport we ask that those who are competing successfully and regularly achieving scores above 70% in a particular level of dressage please move up to the next level. Alternatively if you do not feel comfortable to move up a level you may remain in the same level but advise the organizer of your status and for the sake of the Ultimate Friesian award we will award half points in such classes.
•	PLEASE KEEP THE PARKING AREA TIDY AND TAKE ALL LITTER HOME WITH YOU OR PUT IT IN A BIN. THANK YOU!

Indemnification

The organizers will exercise all reasonable care and attention for the safety of all exhibits and exhibitors, but will not be responsible for the entire or partial loss or damage to the same, to any person or property, whether through accident or otherwise, or through any act of omission of themselves, servants or other persons from any other cause. It is a condition of entry that all exhibitors hold the organizers (Friesians Scotland) blameless and will indemnify them against legal proceedings and compensation for damages in connection with any such accident or loss or damage.
